NEIGHBORHOOD INPUT

Notice of a Public Hearing was mailed to all property owners within 300 feet of the subject property on April 2, 2013. The Planning Division received 2 phone calls in opposition to the zoning condition release request.

APPLICATION DESCRIPTION

The request is for a release of condition No. 1 in Zoning Condition Ordinance No. 016788 dated December 11, 2007 (see attachment 4) as described below:

1. That a fifteen foot (15') landscape buffer including trees native to the area at fifteen foot (15') offsets be placed along the property line adjacent to Cardon Street

This case is related to rezoning case (PZRZ12-00044).

CITY DEVELOPMENT DEPARTMENT-PLANNING DIVISION RECOMMENDATION

The Planning Division recommends **denial** of the condition release request as the application is related to PZRZ12-00044, which staff has also recommended for denial.

Plan El Paso- Future Land Use Map Designation

All applications for a condition release review shall demonstrate compliance with the following criteria:

G-4 – Suburban (Walkable): This sector applies to modern single use residential subdivisions and office parks, large schools and parks, and suburban shopping centers. This sector is generally stable but would benefit from strategic suburban retrofits to supplement the limited housing stock and add missing civic and commercial uses.

The purpose of the P-C (Planned Commercial) district is to provide for attractive and efficient retail shopping and personal service facilities of integrated design in appropriate locations to serve residential neighborhoods. It is intended that the district shall be laid out and developed as a unit according to an approved plan so that the purpose of the district may be accomplished. The district is adaptable to shopping centers of various sizes, as well as development of general business properties where the use of shared parking and access, together with careful site planning, will produce a stronger commercial area.

City Development Department – Planning Division – Building Permits & Inspections

Applicant shall meet the landscape code at the time of permit.

City Development Department – Planning Division - Transportation

Condition Release Comments:

It is not recommended to release the restricted access to this site as the proposed driveway location will impede traffic safety.

City Development Department – Land Development

We have no objection to the condition release request.

Developer/Engineer needs to address the following comments:

1. Commercial driveway abutting Chelsea shall be 35' max.
2. Provide Flood Zone Designation.
3. Grading plan and permit shall be required.*
4. Storm Water Pollution Prevention Plan and/or permit required.*
5. Drainage plans must be approved by the City Development Dept. Land Development Section.*

* This requirement will be applied at the time of development.

Fire Department

If this is just regarding a 15 ft. Buffer for landscaping and this does not affect F.D. access then we do not object for the release of condition #1 landscape.

Sun Metro

Sun Metro does not oppose this request. Recommends coordination with Sun Metro on the locations of existing bus stops adjacent to properties. It is also recommended that sidewalks be constructed to permit pedestrian access to mass transit opportunities.

EPWU

We have reviewed the zoning change request described above and provide the following comments:

EPWU does not object to this request.

EPWU-PSB Comments

Water:

Along Montana Avenue between Cardon Street and Chelsea Street there is an existing twenty (20) inch diameter water transmission main. No direct service connections are allowed to this main as per the El Paso Water Utilities – Public Service Board (EPWU-PSB) Rules and Regulations.

Along Trowbridge Drive between Cardon Street and Chelsea Street there is an existing eight (8) inch diameter sanitary sewer main.

Along Chelsea Street between Trowbridge Drive and Montana Avenue there is an existing eight (8) inch diameter sanitary sewer main.

General

Montana Avenue is a Texas Department of Transportation (TxDOT) right-of-way. All proposed water and sanitary sewer work to be performed within Montana Avenue right-of-way requires written permission from TxDOT.

EPWU requires a new service application to initialize design of the water and sanitary sewer main extensions to serve the subject property. New service applications are available at 1154 Hawkins, 3rd Floor. The following items are required at the time of application: (1) hard copy of subdivision plat; (2) finalized set of street improvement plans, including storm sewer; (3) digital copy of subdivision plat; (4) benchmark check; and (5) construction schedule. Service will be provided in accordance with the current EPWU – PSB Rules and Regulations. The owner is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.

CITY PLAN COMMISSION OPTIONS

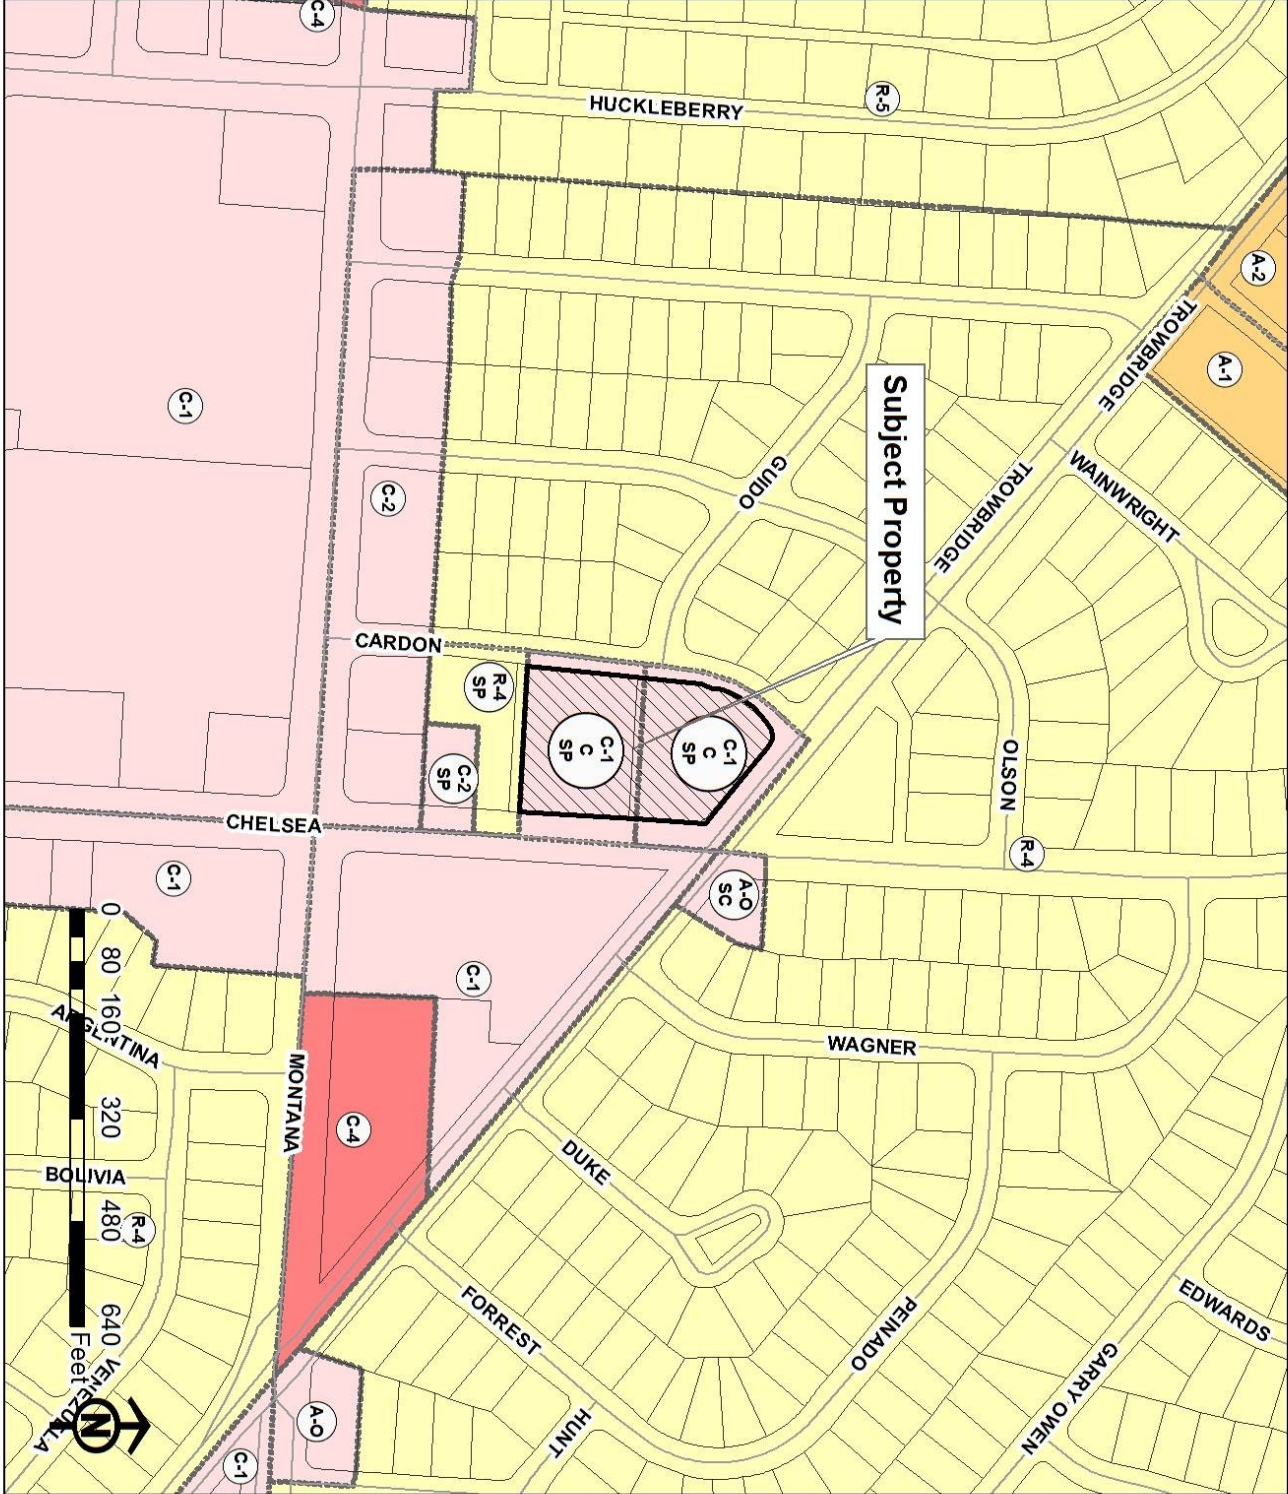

The City Plan Commission may consider the following options and additional options that it identifies when reviewing a condition release request application:

1. Recommend approval of the application finding that it is in conformance with the review criteria for Plan El Paso as reflected in CPC report or other criteria that the CPC identifies from the Plan.
2. Recommend approval of the application with modifications to bring it into conformance with the review criteria for Plan El Paso as reflected in CPC report or other criteria from the Plan as identified by the CPC.
3. Deny the application finding that it does not conform to the review criteria for Plan El Paso as reflected in CPC report or other criteria identified from the Plan by the CPC.

ORDINANCE NO. 016788

AN ORDINANCE CHANGING THE ZONING OF TRACT 4C, MOREHEAD BLOCK, CITY OF EL PASO, EL PASO COUNTY, TEXAS FROM R-4/SP (RESIDENTIAL/SPECIAL PERMIT) TO C-1/SP/C (COMMERCIAL/SPECIAL PERMIT/CONDITION), AND IMPOSING CONDITIONS. THE PENALTY IS AS PROVIDED FOR IN CHAPTER 20.24 OF THE EL PASO CITY CODE.

WHEREAS, the property owner has requested that the property be rezoned to from a residential zone to C-1 (commercial) uses; and,

WHEREAS, the property is abutting residential property and as such conditions are needed to transition the area from a residential zone to a commercial use, such as restricting access to and from the property which will mitigate the traffic impact on the abutting residential property and also address the traffic safety concerns related to Trowbridge Street; and,

WHEREAS, due to the restricted access, the property owner has agreed to orient the front of the buildings toward Chelsea Street and to locate parking, air conditioning units, trash container, utility boxes and services areas to the rear of buildings;

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EL PASO:

That the zoning of *Tract 4C, Morehead Block, City of El Paso, El Paso County, Texas*, and as more particularly described by metes and bounds on the attached Exhibit "A", incorporated by reference, be changed from **R-4/sp (Residential/special permit)** to **C-1/sp/c (Commercial/special permit/condition)**, within the meaning of the zoning ordinance, and that the zoning map of the City of El Paso be revised accordingly.

Further, that the property described above be subject to the following conditions which are necessitated by and attributable to the increased density of use generated by the change of zoning in order to protect the health, safety, and welfare of the adjacent property owners and the residents of this City:

1. That a fifteen foot (15') landscape buffer including trees native to the area at fifteen foot (15') offsets be placed along the property line adjacent to Cardon Street; and
2. That access to the property is only permitted from Chelsea Street; and
3. That a detailed site development plan be reviewed and approved per the El Paso City Code prior to building permits being issued; and,
4. That automotive tune up service and automobile and light truck lubrication services be prohibited.
